GREENVILLE COUNTY SCHOOLS

Blue Ridge High School Marching Band Boosters
PO Box 2206
Greer, SC 29652

May 2008

Dear Educational Supporter:

The Blue Ridge High School Marching Band is once again hard at work preparing for another exciting marching season. Our band has won many awards, at both the local and state level, including the South Carolina Band Directors AAA State Championship in 2004, 2006 and 2007, the AA State Championship in 2002 and 2003, and the A State Champions in 1985. Our band, the Corps of Cadets also brings excitement to the football games, participates in concerts and local parades. Participating in the band program develops leadership, teamwork, character, and scholarship skills in our students.

This year's annual budget for the Blue Ridge High School Corps of Cadets will be approximately \$100,000.00. We have many fund-raisers, but one of our major fund-raisers is the annual auction. It is scheduled for Friday, August 15th at 7:00 pm at Blue Ridge High School. We invite you to join us on that evening for a hot dog supper and our exciting auction.

We ask you to support us by making a donation to our auction event. Donations may be in the form of a gift certificate, merchandise or a monetary donation. We will be glad to pick up any donations or you may mail them to the post office box listed above. We are very grateful for your support.

Please feel free to contact Kieron Campbell, Booster President, at 895-0707 if you have any questions or need someone to pick up your donation. We hope that you share in the enthusiasm demonstrated by our band students by assisting with this fund-raiser. Thank you for your support of Blue Ridge High School and our award winning Corps of Cadets.

Sincerely,

Brian Grant,
Director of Bands
Blue Ridge High School Corps of Cadets
